

# FINELINE® REWARDS PROGRAM

## \$10,000 REWARD

With Qualifying FineLine Equipment Purchases

**APPLY NOW**

### PROGRAM OVERVIEW

Receive a \$10,000 single transaction retail credit for Lincoln Electric® products when you purchase a new Lincoln Electric FineLine HD plasma power supply between November 1st and March 31st, 2022.

FineLine HD power supply must be purchased and installed in the U.S. and Canada as a complete assembly from an authorized OEM, integrator, retrofitter, or Lincoln Electric automation company (PythonX, Vernon Tool®, or Torchmate®).

Completed application for reward must be received by March 31st, 2022, and equipment must be delivered and commissioned before credit will be issued. \$10,000 single transaction credit must be redeemed by June 30th, 2022, directly with Lincoln Electric Cutting Solutions. The reward may be redeemed for any retail item manufactured by Lincoln Electric and commercially available in the U.S. and Canada. No cash return on any balance of reward.

### QUALIFYING FINELINE EQUIPMENT

- Approved OEM new equipment
- Approved integrator's who assemble automated cutting systems for sale
- Retrofits performed by approved Lincoln Electric service providers
- Lincoln Electric equipment configured with FineLine power supplies (PythonX, Vernon Tool, Torchmate)

FineLine power supplies are only sold as an integrated plasma cutting systems and are not sold to non-qualified individuals
